Attention Members!

The BOOST Network is a support system at no cost to your organization. Our collective aim is to enhance the engagement of children and youth in out-of-school time (OST) programs across the Paso del Norte region.

If you are hosting a summer program for children and youth, we encourage you to participate in our annual **Spring into Summer** campaign.

All you need to do is share information with us through a brief **10-minute Survey**. It is highly recommended that you complete the survey by **March 14**.

The Paso del Norte Health Foundation celebrates 30 years of transforming health in the Paso del Norte region. Founded in 1995 with \$130 million from the sale of Providence Memorial Hospital, the Health Foundation has become a catalyst for positive change across west Texas, southern New Mexico, and Ciudad Juárez. In collaboration with its sister organizations, it has collectively invested over \$383 million in grants and charitable initiatives.

As a leader in health and well-being, the Health Foundation drives impactful initiatives, including serving as the sole funder of the BOOST

Network. Committed to addressing ongoing community health challenges, it invites residents to engage in programs that foster a culture of health.
